Your Excellency Mr. Ban Ki-moon,

On behalf of the Kazakhstan Stock Exchange (KASE), I am pleased to officially announce that KASE would like to join the Sustainable Stock Exchanges Initiative (SSE) and publicly endorses the following statement:

We voluntarily commit, through dialogue with investors, companies and regulators, to promoting long-term sustainable investment and improved environmental, social and corporate governance disclosure and performance among companies listed on our exchange.

Participation in SSE will provide KASE with an access to global experience in the field of improving the transparency and stability of capital markets. By joining this initiative we will be able to contribute much more into sustainable development and will gain access to additional information that we could further distribute among our clients from financial and real sectors of Kazakhstani economy.

We look forward to participating in the SSE to exchange best global practices in developing a transparent and sustainable capital market in Kazakhstan.

Sincerely,

CEO
